CAPTAIN FANTASTIC - A TRIBUTE TO ELTON JOHN - For many decades, Elton John has been one of the greatest entertainers and continues to astonish audiences all around the globe with his music and outstanding performances. Ron Foss' Captain Fantastic Detroit is not only an amazing tribute to this great entertainer, he also bears a striking resemblance to Sir Elton John. His piano style and vocals will have you thinking you are part of the real concert event.

Ron started playing piano at age 7 and was constantly searching for a pop piano player. Then in the 70's, the Yellow Brick Road album hit the airwaves and Ron was hooked. He bought the song book and learned most of Elton John's songs at an early age and in time started to wear Elton John style glasses. Now at every tribute concert, Ron Foss has the awesome opportunity to pay homage to the man who inspired him to become the entertainer he is today.
